"Belonging together, learning together, achieving together"

Dear Applicant

The Governors and I thank you for the interest you have shown in our school and the post of Head Teacher. We believe that this is an exciting opportunity and that the successful applicant will be joining a happy, welcoming and successful school. The Governing Body is seeking to appoint a Head Teacher who will build on current good practice and also bring a fresh perspective that will help our school achieve even more in the future.

At Farnborough Road Juniors we aim to work together to enable all of our children to reach their full potential. We want to provide our children with the best possible education and to develop the whole child during their time with us. We believe this is achieved through a close and trusting relationship between home and school, working together at all times to promote the vision, aims and ethos of the school.

Our school is a happy and caring environment, where every child is encouraged to thrive academically, emotionally, socially and physically. At our school we make sure that everyone is valued, talents and abilities are developed and achievements are celebrated.

Farnborough Road Juniors is founded on strong values, excellent behaviour and great learning. Our school has a strong reputation in the local community and we want a leader who will develop this even further during the next stage of our growth.

I look forward to hearing from you.

Yours sincerely

Iain Brodie-Browne
Chair of Governors
